

# It takes a village to raise a child.....

Treehouse at Easthampton Meadow is seeking qualified families, and elders, to join our supportive, multi-generational community.

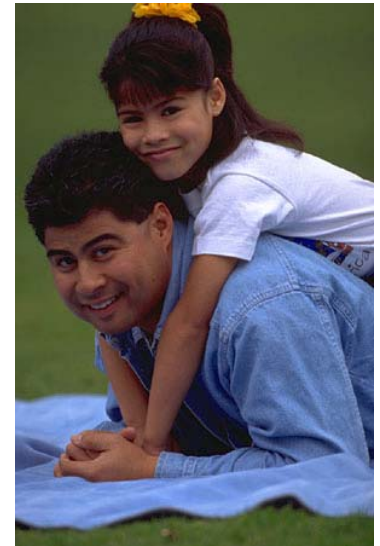

Living at Treehouse is an exciting opportunity to experience community life as it should be, while enjoying affordable, maintenance-free and independent living!

The unique vision of Treehouse encourages elders and families to connect in a supportive and active environment, where families who are making permanent commitments to children through adoption, foster and kinship care, live in the community along with elders.

Treehouse offers lovely, affordable rental homes for foster-adoptive families and elders (age 55+) in a small town setting. Treehouse includes a Community Center, a library, a community garden, and many activities for children, families and elders.

## Qualified families include:

- Those who have adopted or are in the process of adopting children from foster care
- Those who are fostering or are ready to foster children with a goal of adoption
- Guardianship and kinship families

**Treehouse**  
at Easthampton Meadow

Dedicated to promoting permanency for children who have been in foster care, Treehouse puts the words "it takes a village to raise a child" into action.
